Mindy – Per our conversation, I spoke with Jeananne last night and from her perspective, here's the latest:

1. Corps/State MOU – Corps has incorporated our comments to their satisfaction. Ex. 5 Deliberative Process (DP)
- Ex. 5 Deliberative Process (DP)**
2. EPA/State MOU – State providing minimal edits so far, no issues identified at this juncture.
3. Ex. 5 Deliberative Process (DP)
4. State publishing regs by this Fri – 21 day comment period. Can finalize quickly if minimal comment – mandatory process dictated if not.
5. R4 RA representing Region can review package within 60 days of receiving complete package. (Regional folks think 90 more likely).

We may want to spot a point along the timeline where we expect to reconvene politicals for one last call for any unresolved issues. I offered our continuing support, and she appreciated all of our support to date. We agreed to continue putting the pedal to the floor on this one. Thanks for keeping this front and center for us.
